

# Property Owner REBATES

## On new residential boiler installations!

Installing a new, high-efficiency natural gas boiler, with efficiency ratings more than 30 percent higher than boilers made 20 years ago, means lower monthly fuel bills. With the REBATE, now is the best time to replace your old boiler with a new, energy-efficient boiler manufactured by Weil-McLain®.

Purchase a qualifying<sup>1</sup> Weil-McLain natural gas boiler and have it installed in Berkshire Gas service areas between **January 1, 2018 and December 31, 2018** and you'll receive a rebate<sup>1</sup> directly from Weil-McLain.

- CP# on boiler required
- **Original coupon required**
- Not to be combined with any other Weil-McLain offers
