20 communities served

Meet the Interim President and COO

Charlotte Ancel

President and COO Berkshire Gas

Charlotte has been with Avangrid for four years. In that tenure, she has achieved many notable successes including leading the regulatory function on the Networks side of the business and then, for the last year, serving as Vice President of Investor Relations.

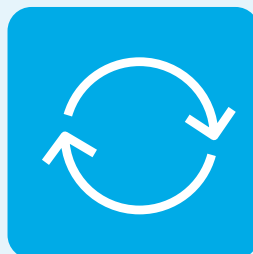

Charlotte has more than 15 years of leadership experience in the energy space, successfully serving in a broad range of roles including regulatory and rates, clean energy transformation and policy, and legal, both in the Northeast and California. She is a graduate of Boston College and University of New Hampshire Law School, from which she graduated first in her class and served as Editor-in-Chief of the Law Review.

Working together to deliver a more accessible, reliable, safe and efficient energy model.

Agile

We act efficiently and with passion to drive innovation and continuous improvement at both the local and global level.

Collaborative

We work together toward a common purpose and mutual benefit while valuing each other and our differences.
