Meet the CEO

Sue Kristjansson

President and COO Berkshire Gas

An experienced natural gas utility executive, Sue has significant experience in strategic planning and tactical implementation of process improvements, energy and environmental policy and regulatory issues, as well as brand management and crisis communications.

Sue earned bachelor's and master's degrees in business administration from National University of La Jolla, California and taught as an adjunct professor at Mt. St. Jacinto Community College in Menifee, California.

She is active in both community and professional associations and is a board member of the American Gas Association.

Working together to deliver a more accessible clean energy model that promotes healthier, more sustainable communities every day.

Our purpose reflects our commitment to transforming how we serve our customers by prioritizing the well-being of people and the conservation of the planet. It is inspired by and built on our three core values.

Sustainable

We seek to be a model of inspiration for creating economic, social and environmental value in our communities, and we act positively to affect local development, generate employment, and give back to the community.

Agile

We act efficiently and with passion to drive innovation and continuous improvement at both the local and global level.

Collaborative

We work together toward a common purpose and mutual benefit while valuing each other and our differences.
